“

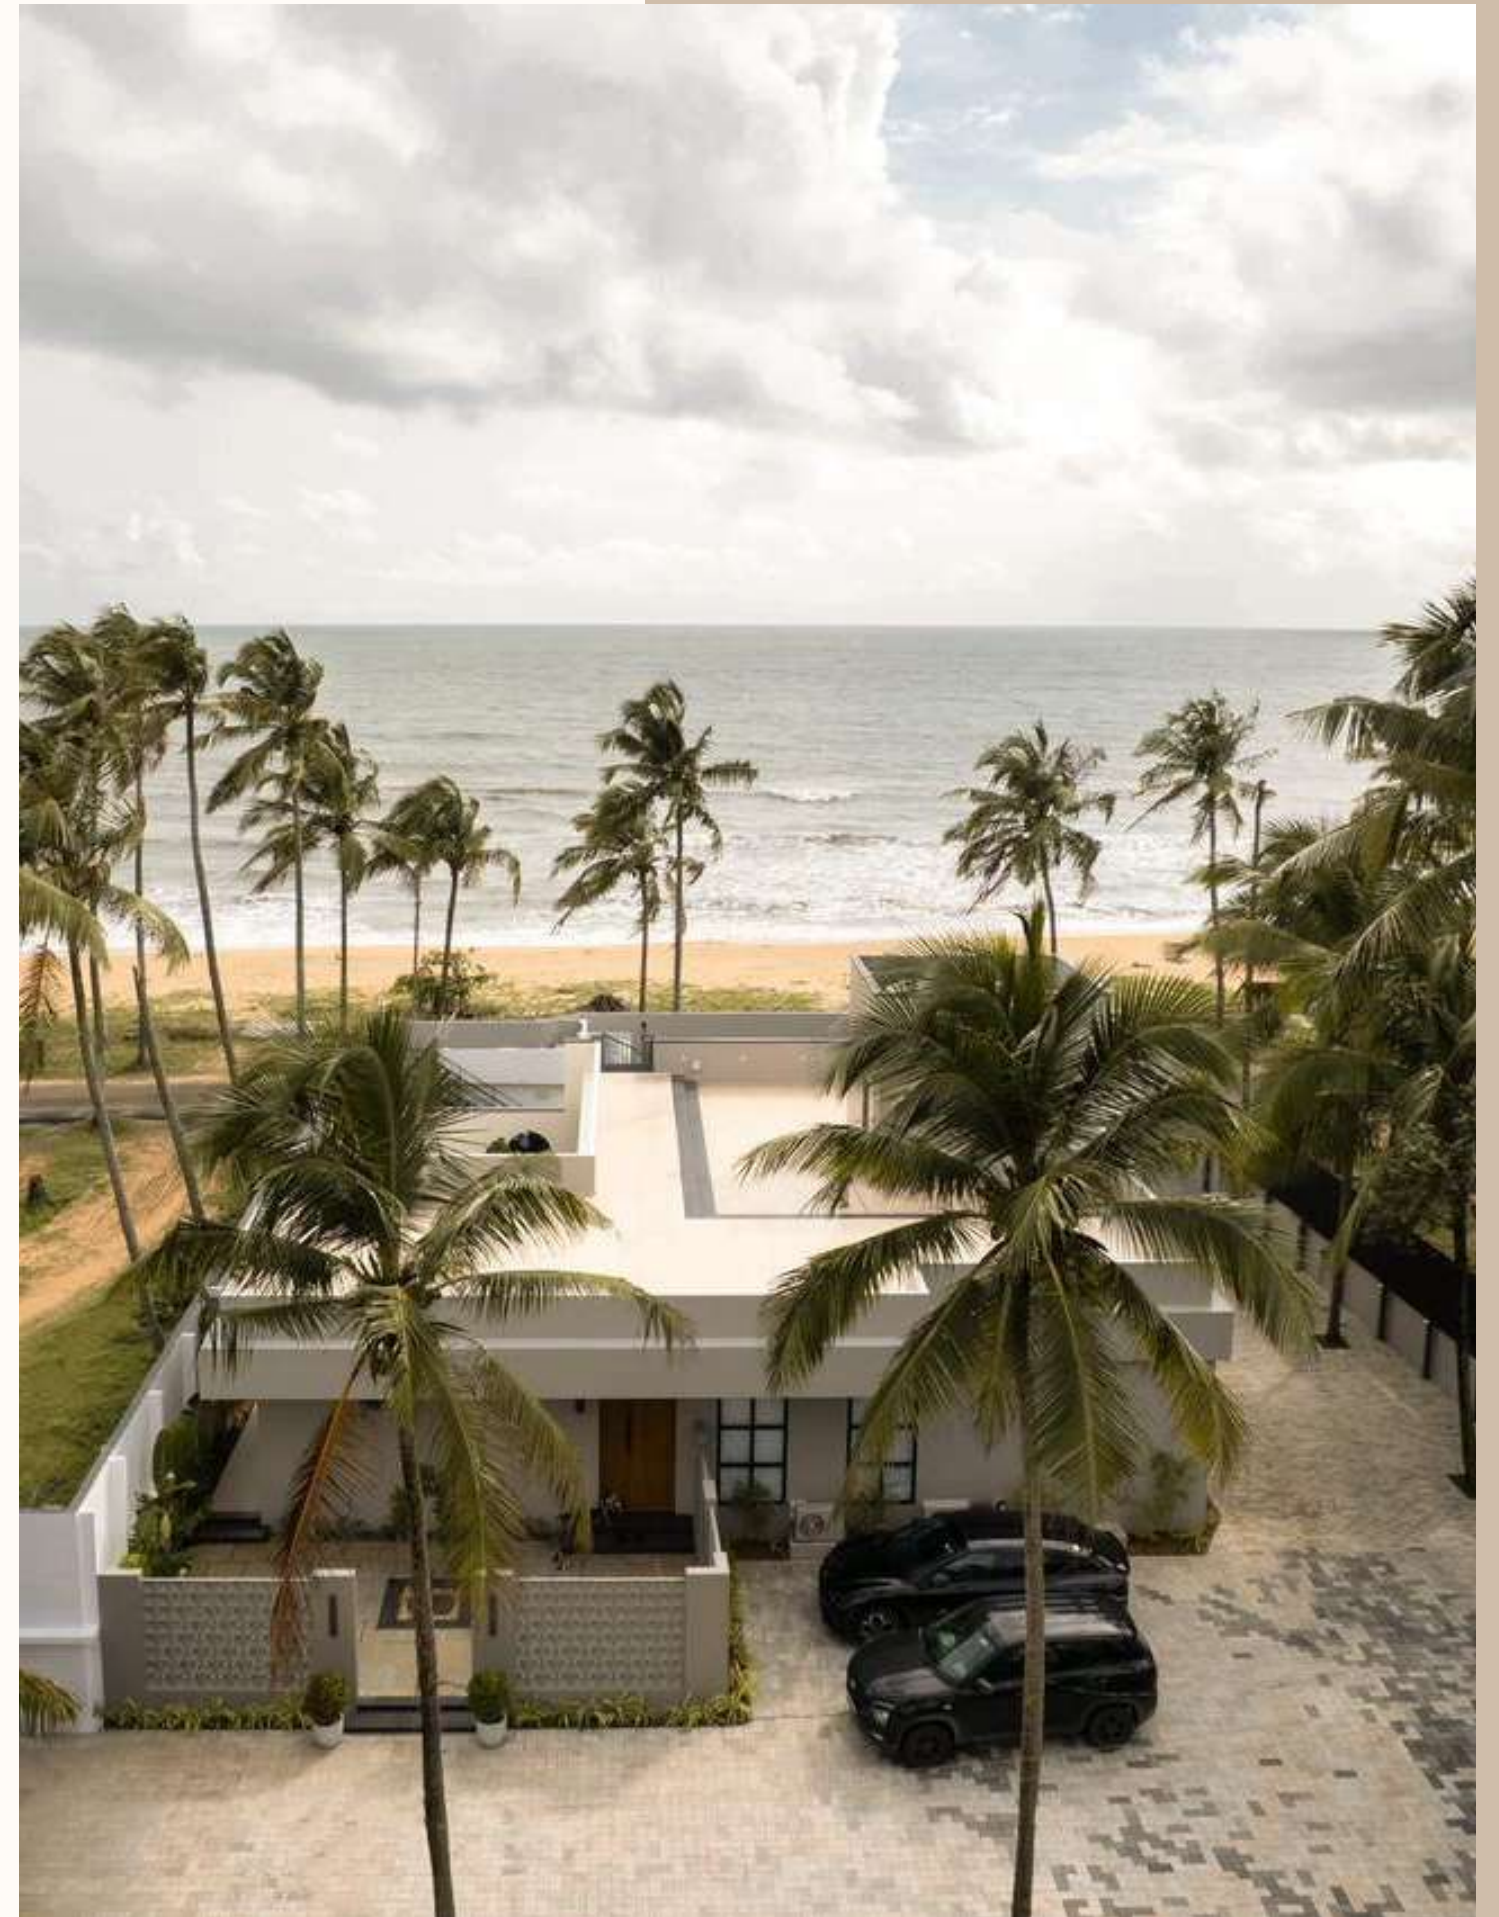

The place is gorgeous — hands down the best aesthetics I've seen in any stay. There is a nice beach just a short walk away, a great pool to chill in, and the vibe is just so relaxing. The staff were super friendly and made us feel totally at home. Loved every bit of it.

Beautiful property. Felt like I was in Bali. The house is spacious to accommodate a good number of people. Perfect spot if you're looking to just relax and unwind, or even host a house party with your gang. Would definitely recommend.

Sand Beige offers the perfect blend of ambience, relaxation, and top-notch amenities. I had visited this gem of a place with my husband and was blown away by the serene beachfront setting, private pool, and elegant interiors. It really made our stay incredibly peaceful and refreshing. Truly a hidden paradise!

We stayed at Sand Beige and also hosted a cocktail party there — and the experience was absolutely wonderful! The property is impeccable and has a nice, relaxed bohemian feel to it. The interiors are stunning, and the space felt cozy and welcoming for our group of friends. Its location near the beach makes it incredibly picturesque and perfect for photoshoots.

A photograph of a modern building at night. The building has a large glass facade with a dark frame. The interior is lit up, showing various rooms including a living area with a wooden coffee table, a dining area with a wooden table, and a bedroom with a bed.
